ULLAHOLM
SCANDINAVIAN STYLES

Dear Customer,

Thank you for choosing the ULLAHOLM Scandinavian Styles' acacia Koselig Cookbook Stand (pronounced as "koo-suh-lee" which is Norwegian for cozy)! Our small family business is committed to bringing you products that create intimate and inviting spaces for you and your loved ones. ULLAHOLM is the husband and wife team of Lisa & Petter Mazzetta. Petter hails from Falkenberg, Sweden, and our name is inspired by his mormor (mother's mother in Swedish), Ulla Holmers.

We're proud to share that our manufacturer holds the prestigious Forest Stewardship Council® (FSC) forest management certification, ensuring that the timber from our forestry operations meets the world's most stringent environmental, economic, and social standards for responsible forest management. Additionally, we are honored to be a business partner of One Tree Planted, with a commitment to donate proceeds from the sale of each Koselig Cookbook Stand purchased to worldwide reforestation projects. Your stand also complies with U.S. FDA 21 CFR 178.3800 standards (Test #GST241209032), ensuring the wood is non-toxic, food-safe, and environmentally responsible.

We hope your new ULLAHOLM Koselig Cookbook Stand becomes a cherished part of your kitchen, creating delicious memories for years to come, and we extend our heartfelt gratitude for choosing ULLAHOLM to be a part of your home.

Thank you so much for choosing ULLAHOLM!
Warm regards, The Mazzetta Family

DIRECTIONS & RECOMMENDATIONS:

- Please wipe the stand down with warm water before the first use.
- Place the support arm through the hole in the stand base and size it appropriately to your cookbook using the lip of the support arm to hold the pages in place.
- While the stand has passed FDA food surface testing and is safe for use as a cutting or charcuterie board, if your desire is to leave it out for decoration, we recommend against using it in that way as the surface will scratch.
- If used for cutting, we recommend using the back side of the stand base to preserve the design's beauty and to clean your stand as soon as possible to prevent stains.
- Do not place in the dishwasher; hand wash only with warm water and dish soap (avoid harsh cleaners/sponges and avoid soaking/submersion in water).
- Do not use in the microwave and store in a dry area to ensure longevity.

WARNINGS:

- The Koselig Cookbook Stand is designed to safely support up to a maximum of 15 pounds of evenly distributed weight with the stand extended out a maximum of 5 inches.
- Please always use on a stable and flat surface to prevent accidents.
- Please exercise caution while handling, especially during use as a cutting or chopping board.
- Please keep out of reach of children, and note that ULLAHOLM is not responsible for any injuries or damages resulting from improper use or handling of the Koselig Cookbook Stand.
