

## World Religions Prayer Page 4

There are three ways we can spread the Gospel of Jesus Christ across the nations: We can **Pray, Pay, or Go**. Before we pay or go, we must all pray.

We are called to pray for all the nations, however, there are times that the Lord gives us specific assignments for certain nations and people groups. The most valuable thing to give you during this course is not information, but a heart for the harvest. That doesn't come from lectures; that comes from the place of prayer. These Prayer Paper Assignments are meant to be a time for the Holy Spirit to blow on and in you. You'll use what you learn in lectures as prayer points during your time of prayer.

Each week you will choose a nation to commit to intercede for. You can do this randomly or ask Holy Spirit to guide your choice. With this nation in mind, you'll complete the following prayer assignment. Who knows, the Lord also may be giving you sneak peaks of places and faces He's sending you to in the future. This Prayer Paper Assignment may be more preparation than you realize.

### **Part 1: Informative Intercessor [Front]**

Get some facts about your country to know how to pray. What is the major religion? Who are the governmental leaders? What are major cultural influences? Look into some of the poverty rates, employment rates or literacy rates. Do you know of any missionaries, friends, or Christian organizations that are in that country that you could pray for?

### **Part 2: Influential Intercessor [Back]**

Commit *at least* 30 minutes to pray for your country. This may be done alone or with friends who want to pray with you for your country. Complete the prayer log on the Project Page. Remember: Prayer is the most productive thing we can do.
