

The Lightness of Kingdom Leadership

Prophetic Word | 5.1.24

“The reason I no longer call you my servant, but my friend, is that I share everything I am doing with you. This is how I learned it from the Father.

“I love our partnership. In the Kingdom realm, we empower the natural world. Everything in the Kingdom starts in rest. In rest, you can see what I am doing and hear what I am saying. It is my rest that I give you as a gift. Rest is your sole mode of operation in the Kingdom. There is no need for stress or worry or anxiety.

“My rest sets you up to learn from Me. When the Father gives us permission, we take bold action that moves everything in the world. All life is in Me. To bring life to your business, I will teach you my ways and my truth.

“You may be in the world, but you are of my realm. I am teaching you how to live as my son or my daughter. I want you to know how to rule and reign with Me. That only happens from rest. The peace I give you is not like the world’s peace, which is fickle. My peace is a ruling power and is what enables you to rule with Me in this world.

“You can learn to fully fulfill the purpose the Father has prepared for you to walk in. That purpose was assigned by the Father to our partnership. The genius Holy Spirit will help and empower all our efforts. He is so excited about doing this with us!

“There is no need to feel that you are alone in this venture. There is no requirement in the Kingdom, in which you do not need to be the prime initiator. I can do nothing of my own or initiate anything. I can only do that which I see Father doing. Because the Father loves Me and loves you, He shares everything He is about to do with us. I will help you see what We are doing in your life and in your business.

“It is time to enter Kingdom life in your business. We love doing this with you. We love our partnership with you. We love your learning and want you to love it too.

“I will help you, I will help you, surely I will help you. Stay yoked and enjoy the lightness of the burden you carry in the partnership. I love you! I love doing this with you!

Now, cross over into rest. I deserve for you to have all I paid for. Let’s do this together - fully yoked.”
