Investor

Hello (Handyman Name), How are you today?

Investor

This is (Your Name), from (Your Company Name). Thank you for speaking with me today to answer my questions.

I want to let you know upfront that I am talking to three handymen in the area to get an idea of who is the best fit for our management style and our goals. Is it ok if I go ahead and ask you a couple of questions?

Great! My first questions is:

1. How long have you been in business?
2. What kind of work do you do?
3. What kind of work do you not do?
4. Do you provide free estimates?
5. What is your response time to work requested to be completed?
6. How do you charge for your services? What are your fees?
7. Can you provide me with references?

(Handyman Name), thank you very much for your time. I have a couple more handymen to contact. Based on the information you've provided, I will contact you within the next 2 business days if you are the best fit for our company!

Thank you again for your time today. Have a great morning/afternoon/evening.
