

This Month...

The Gospel According to Luke contains the complete biography of Jesus's earthly life. It tells the story of Jesus's life, death, and resurrection in polished Greek, which confirms that this physician and historian was well-educated. It emphasizes Jesus' upside-down kingdom and God's love for society's marginalized: the poor, women, and Gentiles. As we walk with Jesus, through the pages of Luke, let's invite God's love for the outcast to consume us, too.
