

This Month...

Acts is the manual for the New Testament church. It documents the acts of the apostles in the early church and the power of the Holy Spirit in ordinary people. Marvel at the adventures of the Apostle Paul on his three missionary trips as he repeatedly confronts three enemies: legalism, materialism, and hedonism. Notice that the topic of prayer occurs in almost every chapter, and recognize that the “church that acts like Jesus” is still alive today.

Bible Reading Tips

- Acts is a manual for today's church.
- Trace the journeys of Paul with a Bible and map.
- Underline “pray, prayer” as you read Acts.
