

JOURNEY GUIDE
September 2025

Welcome to September, a back-to-school month and a great time to refocus your daily spiritual habits. Regular Bible reading is an important habit to develop, so congratulations for visiting this list frequently this month. The book of Hebrews reveals Jesus as your High Priest who established better promises and a better covenant for you. The next four books are significant books from the Apostle Paul and reveal who Jesus is, and what He has done for you. Enjoy!
