

**A sweet, simple tale of how friendship and honesty triumph over money. The protagonist's pun of a name—Ernest Bliss—foreshadows the plot in which this bored young millionaire transforms his indolent self and finds love. Typical of its era (1919), this book contains a few antisemitic stereotypes. The story was made famous by the 1936 film *The Amazing Quest of Ernest Bliss* with Cary Grant and Mary Brian.**

**E. Phillips Oppenheim (1866-1946), was born in London and wrote more than one hundred novels as well as many short stories and film adaptations, some under the name of Anthony Partridge. His 1941 autobiography, *The Pool of Memory*, is well worth reading. (Summary by Adrian Praetzellis)**
