

## The Strange Adventures of Eric Blackburn

Harry COLLINGWOOD (1851 - 1922)

Eric Blackburn's strange adventures begin when the ship on which he is engaged as fourth officer is struck by an enormous meteorite and sinks within minutes, and Blackburn is the sole survivor out of the 535 people on board that ship. Through extraordinary luck he reaches an overturned lifeboat into which he saves himself, and from which he is rescued by the *Yorkshire Lass*. The *Yorkshire Lass*, however, brings with it a new adventure, as it is on a quest for hidden treasure on a mysterious tropical island and is going to catapult Eric into unprecedented adventures. - Summary by Carolin
