

The Young Pilot of Lake Campion Oliver Optic

The sixth and last volume of the Woodville stories contains the record of a mechanical, rather than a moral triumph, though the virtues of patience and perseverance are incidentally illustrated, and the "little captain" of the Woodville is always a good son, a forbearing brother, and a kind friend. Lawry Wilford, the young pilot, is a boy of spirit and energy, who overcomes difficulties by a strong faith in himself, and redeems his family from poverty, in spite of the bad example and the bad conduct of his father and his older brother. Previous book in the series is Hope and Have; Fanny Grant Among the Indians. - Summary by Scarlett Martin from book preface

Read by Scarlett Martin. Total running time: 5:02:07
