## A Little Bush Maid

by Mary Grant Bruce

An Australian childrens' classic about life on a ranch around the same time of *A Little Florida Lady*, with a similarly plucky tomboy heroine. Also, like the latter story, expect some racial stereotyping of Asian and Aboriginal characters. This originally ran as a newspaper serial and it shows in the episodic nature of the chapters, such as a vivid trip to the circus sandwiched by talk of a mad killer and an unexpectedly sentimental ending.
