READ FOR **LIBRIVOX** BY PAUL HARVEY

THE MARTIAN A.R. Hilliard & Allen Glasser

The water was evaporated by the ever-shining sun until there was none left for the thirsty plants. Every year more workers died in misery. A stranger from another world comes and experiences the attempts by two different cultures with different languages to understand what the other wants. Not all educated cultures are cordial or sympathetic to new arrivals. This book explores one potential outcome of the meeting of alien races. - Summary by Paul Harvey

Read by Paul Harvey. Total running time: 1:19:03
