THE NATURE OF THE JUDICIAL PROCESS

[Benjamin N. CARDOZO \(1870 - 1938\)](#)

Benjamin N. Cardozo, one of the most influential American justists of his era, served as the New York Court of Appeals Chief Justice, before joining the Supreme Court. His 1921 book *The Nature of the Judicial Process*, now considered a legal classic, was compiled from *The Storrs Lectures* delivered at Yale Law School earlier that year. In it he analyzes various factors underlying judicial decisions, and how these decisions in their turn influence the development of law, contrasting abstract ideals with court practice, and comparing American and English common law with legal systems of continental Europe.
