

RED RUBBER E.D. Morel

Morel explains the history and formation of the Congo Free State, owned by King Leopold II. However, Morel, a humanitarian, focuses on the atrocities committed in the Congo through the enslavement of the native population, leading to the deaths of as much as 50 percent of the population. Writing in the early 20th century, he argues Britain can and should stop these horrific human rights violations. - Summary by Elsie Selwyn
