The Santa Claus Story Book

UNKNOWN (-)

This is a collection of fairy tales. The first story is a Christmas story in verse, and of course the Christmas holidays are the best time for fairy tales, but the other stories in this volume are fairy tales that can be enjoyed year-round. This volume contains classics like the story of Cinderella and the Beauty and the Beast, but also stories you may not expect, like the story of Robinson Crusoe and the story of Robin Hood. - Summary by Carolin
