## *The Story of a Whim*

by *Grace Livingston Hill*

A group of girls send gifts and letters to one whom they think to be a young woman like them. "Christie" is really a poor young bachelor tending his orange grove in sunny Florida. Through his correspondence with Hazel (who still thinks he's a girl), he falls in love with her and becomes a Christian. What will happen when she takes a trip south to meet her dear pen-pal?
