The VISION

As we have gone through the Pandemic, God spoke to Brenda clearly to gather women of faith together. He said the hard times are not over and this would be a place of hope, inspiration, and sisterhood. Think about it: Where can you turn when you are struggling or desire wisdom or need support in growing your business? The answer - right here! Grow your faith, income & impact! Welcome to YOUR community.

Where to START

We recommend you begin with the Jump Start and the Manifest Love, Health & Prosperity 5 day challenges. They have a track record for being life-changing. If you are looking for a Bible study choose one that appeals and do a study each day or each week. Personal growth and Prosper moments are great when you are short on time and want a quick burst of inspiration.
