KINGDOM LIFESTYLE SERIES

Lifestyle is your day to day existence by intention (or default)

Lifestyle is redemptive by God's design

Lifestyle CAN be fruitful and multiply by ours

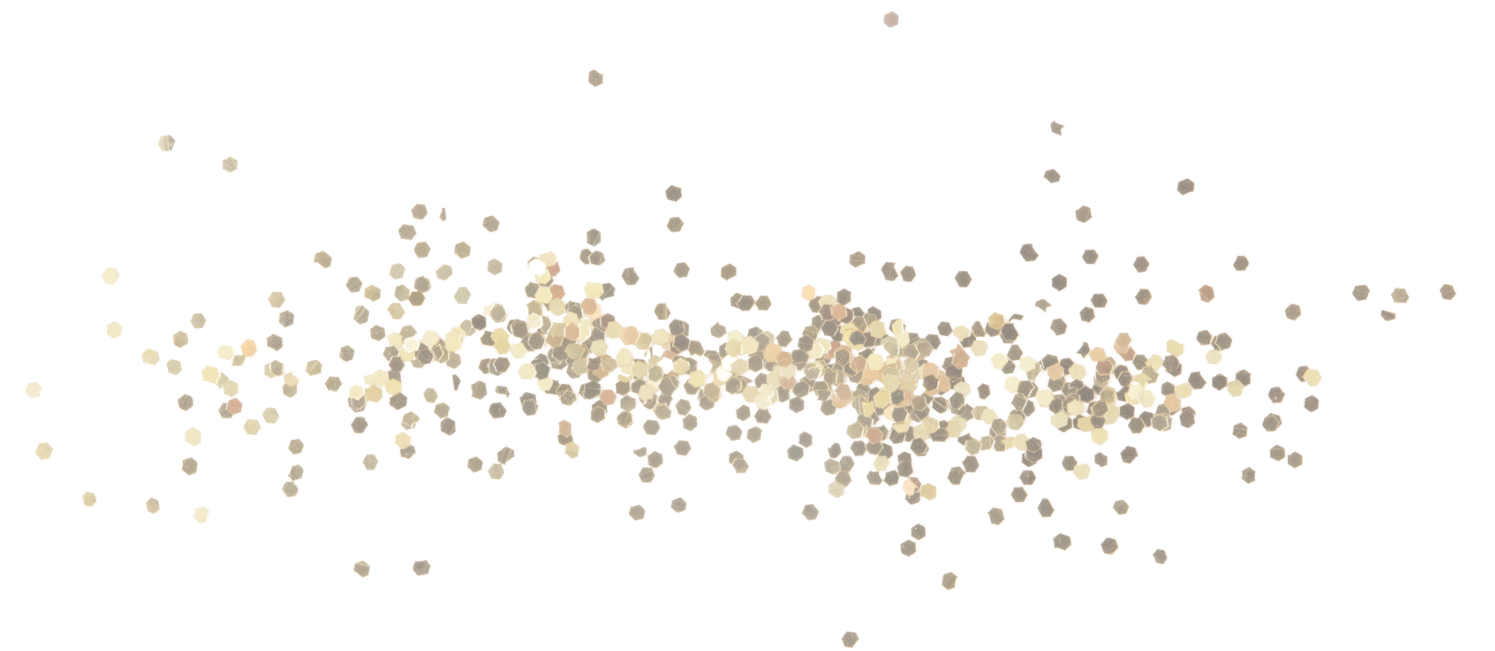

Business is designed to answer a problem with a solution people pay money for

Business is one person leveraging their leverage to help another leverage theirs

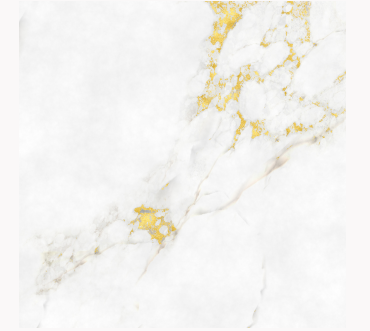

Money v Time

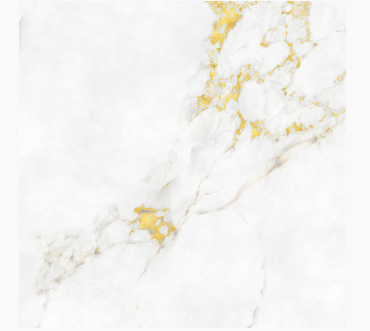

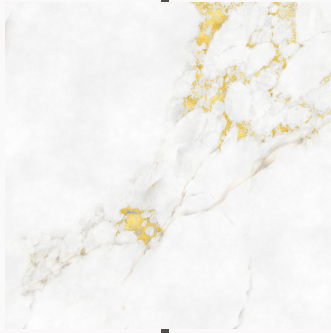

A Lifestyle Business is fruitful & multiplying leveraged capital that works
WITHIN the parameters you set for your day to day existence in any given
season

A Kingdom one begins in the heart of God as a redemptive solution to some
area of chaos on the earth

Three Types Of Redemptive Solutions

I may change that definition later however for now... that will suffice ...

YOUR LIFESTYLE BUSINESS HAS A SOLUTION TYPE

Outcome: Done for you

Process: Done with you
