**DISCOVER THE 8 ELEMENTS
DRIVING YOU FROM PRESENT
POSITIONING TO PURPOSE**

POSITION

#8- Promotion

#7- Authority

#6- Access

#5- Transition

#4- Actualization

#3- Rediscovery

#2- Dominion

#1- Birthright

LESSON 1: Bilocal Awareness

You already know you have dual citizenship, but you are also dual present or bi-locational. You are here on earth AND you are divinely seated outside of creation.

You have the opportunity to speak into all things about your life and godliness because they have already been granted.

Jesus did not die just so you could get to heaven, but so Heaven could get to you.

The more you begin to practice your position, the more you will begin living from eternity towards earth - like a woman of divine inheritance, vs. living your life on earth trying to get what you need from eternity like a beggar.

What you believe about your end, your destination will determine how you behave in the middle. Additionally, what you believe about your origins, or your original design, will also determine what you become.

The 3rd heaven is where God's dominion is exercised with all power, all knowing, and all authority.

The 1st heaven is where WE were given the power and authority to steward and expand our dominion over this realm.

The 2nd heaven is where there is power, which is expressed by heavenly beings in THAT realm, but they no longer have authority over this realm other than what is given to them by us, or stolen by them.

Jesus has been given ALL authority in the heavens and on earth.

You have to intentionally connect to that source and use it with the understanding of who you are & according to His plan for your life

Acting like a mere human looks like living from earth towards heaven - it looks like the world

LESSON 1: Bilocal Awareness

**Your inheritance is to express authority over all realms.
However, as a human you are NOT equipped in power OR authority to personally war or fight against the things in other realms.**

You ARE NOT the army of God - that is the job of the angels. You are the administrative arm of the government of God.

Acting like a mere human often looks like the poverty mindset and the orphan mindset.

Living from the earth is an ancient lie that has kept us blinded to the truth - that you don't have to die to live from eternity - you already do.

As a child of God, where you are ALREADY seated in heavenly places - where you are IN Jesus and AS Jesus already IS.... you can access all of the dimensions you are designed to rule over and the angel armies that fight on your behalf as a Queen.

LESSON 2: The Mountain of Me from Your Heavenly Position

As you develop your character, your skill, and your wisdom, you must then partner those things with the supernatural and divine in order to fulfill all you are called to.

Matrix quote:

**Neo asks, "What are you trying to tell me? That I can dodge bullets?"
And Morpheus answers, "No, Neo. I'm trying to tell you that when you're ready, you won't have to."**

The Matrix was such a mind-bender as you relate it to living in a dual-present life, being bi-locational. One world that was 'created, and then the original world that you were being locked away from.

However, a remnant wakes the people up to what is real as they combat the lie of what has been created.

The promise of me: as we look at the narrative in Genesis, and understand that it was a foreshadowing of Christ, we can surmise God was promising that after corruption is washed away, and the light shines through you, there is no darkness in you - only measures of light

You have already died and been resurrected, seated divinely outside of time, and yet bi-locational to manifest the light of eternity on earth

Lesson 3: Changing Your lens

#1-the voice of prior generations or cultural Genealogy

#2-the voice of those in authority while developing your beliefs - this can be parents or pastors, teachers, etc.

#3-the voice of your peers

#4-the voice of culture

#5-your inner voice or self-talk.

"So if you have been raised with Christ, seek & set your mind on the things that are above. FOR YOU HAVE DIED.

***We also see in 2 Corinthians 5 that You have also been resurrected and are a completely new creation**

This transcendence I liken to the metamorphosis of the butterfly. The metamorphosis process is a complete death.

The culture of a Kingdom, in its purest sense, says to others: This is how we do things here.

So, having dual citizenship, and being dually present carries responsibilities of influence with it.

If we are truly living from eternity towards earth then we should be living according to eternal culture and priorities.

Being clothed in the culture of the kingdom looks like you are no longer clothed in dead things but adorned with things like patience, forgiveness, compassion, humility, and love

People should be able to identify you from the clothes you wear, and the attitudes you display. Living in your position should affect everything and therefore alter your environment/sphere

It is very easy to unwittingly replace being in a relationship w/ God with a religious spirit (meaning the system that produces a lifestyle or attitude), which is the default position of a fallen human nature.

1 Thes 5 - The Message

But friends, you're not in the dark, so how could you be taken off guard by any of this? You're sons of Light, daughters of Day. We live under wide-open skies and know where we stand. So let's not sleepwalk through life like those others. Let's keep our eyes open and be smart.

Since we're creatures of Day, let's act like it. Walkout into the daylight sober, dressed up in faith, love, and the hope of salvation.

God didn't set us up for an angry rejection but salvation through Christ.

He died for us, a death that triggered life.

Whether we're awake with the living or asleep with the dead, we're alive with him!

So speak encouraging words to one another. Build up hope so you'll all be together in this, no one left out, no one left behind. I know you're already doing this; just keep on doing it.

LESSON 4 - Positional Boundaries

Another aspect of Position is learning to understand your boundaries.

God loves boundaries. He began setting them from the beginning of the creation story, and all of the creation operates from them.

Your boundaries have to do with your divine purpose. They can also be outlined according to territory you have conquered in your life; where you have earned authority, and where you see favor.

Operating within your boundaries will produce good fruit.
