Faith Principles

Michael Serda

Tuesday 10:00-10:50am

Description

Faith Principles will introduce the student to the source, purpose, and principles of faith. The student can expect a supernatural lifestyle to emerge as they learn about the unchanging character that stands behind God's precious promises. Gleaning from the lives of Abraham, Jesus, and Paul, students will learn how to please God and "walk by faith, not by sight." Welcome to the "All things are possible" course!
