

Prayer to Close off The Influence of the Unloving Spirit

God I thank you for your perfect love that you have for me. I thank you that you demonstrated your love for me by sending your own son to die in my place, to take my punishment, to take all of my shortcomings mistakes, shortcomings, and weaknesses and to crucify and bury them once and for all, and to give me new life and to restore my heart to heart connection with you, without any separation. Thank you for your love God

I am sorry for every way that I unknowingly cut myself off and disconnected from your love, God. I do not want to cut myself off from your love. I thank you that you have never cut yourself off from me, disconnected from me, or disengaged from me. I thank you that you have never separated yourself from me. For all the ways that I have separated myself from you, I want to say that I am sorry and I want to reconnect with you on my end.

So, In the Name of Jesus Christ of Nazareth,

I Cut off any access where the unloving spirit has been able to influence me and caused me to misunderstand and disconnect from the love of God and cut off the flow of His Love!

I close off every place where I have allowed the unloving spirit to influence, lie, or deceive me into cutting myself off or detaching from your love and I cancel its influence, lies, deception, and its fruit right now in the Name of Jesus!

I cancel every agreement, every alignment, and every hold I have allowed the unloving spirit to have on me and I close off its influence, its voice, and its interference, in the Name of Jesus Christ of Nazareth.

Father God, I open myself fully: all of my heart, all of my mind, and all of my body to the flow of your love, and I re-open our heart to heart connection.

Any part of my heart to heart connection that was compromised or hindered, I ask you to flood and fill those areas!

Any internal area that has been void of your love or where there has been a lack of your love, God I ask that you would flood all of those areas and fill them to overflowing, and saturate every dry, parched, and barren place inside of me with your love as my Father.

You are my Father, and you are a good Father. I ask for your Father's heart of love to fill every lack, every void, and every place where I have not been able to receive your love and redeem and restore all of those places with your love. In Jesus' Name!
