Dream Life School of Interpretation

In-Person & Online

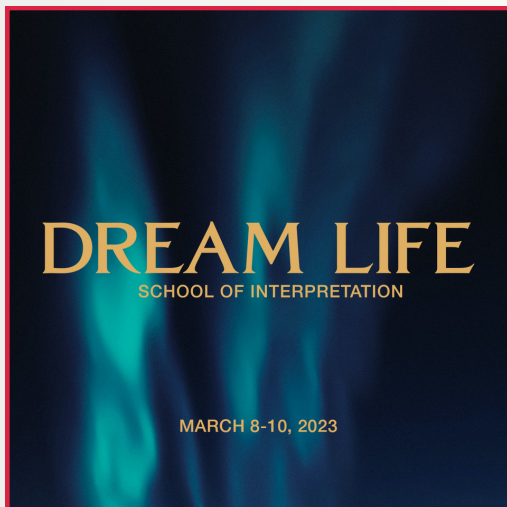

March 8-10, 2023

We believe now more than ever that God is raising a generation who will walk in the gift of interpretation and will operate with divine wisdom to be a resource to a world that desperately needs an encounter with God.

We hope you'll join us and learn how God wants to use dreams and visions to transform your life, your family, and your world!

The Prophetic Lab's Prophecy Your Year E-Course

This lab is designed around hearing and seeing what God is saying to you about the season you are currently in. You will create and receive a digital prophetic calendar, instruction on how to prophesy signs, and there will be opportunities to give and receive words with other participants. The purpose of this lab is so that you understand how you hear God for yourself. Get ready for your days and months to turn into a spiritual scavenger hunt!
