The background features several abstract yellow shapes. A large, light-yellow triangle is positioned on the right side, pointing towards the top right. Scattered around it and across the lower half of the image are several smaller, elongated yellow shapes, some of which resemble stylized rays or confetti. The overall aesthetic is clean and modern, with a focus on the text and the contrast between the bold sans-serif font and the flowing script font.

NKJV

And whatever you do, do it heartily,
as to the Lord and not to men,
knowing that from the Lord you will
receive the reward of the inheritance;
for you serve the Lord Christ.

MSG

Servants, do what you're told by your earthly masters. And don't just do the minimum that will get you by. Do your best. Work from the heart for your real Master, for God, confident that you'll get paid in full when you come into your inheritance. Keep in mind always that the ultimate Master you're serving is Christ.
