

FAITH FAMILIES

At Believers World Outreach church, we **belong in family**. This means that, **because of Jesus**, everyone can find their place in the family of God. We believe that discipleship happens **in families and with families**. Faith Families are our way of doing small group discipleship: family-style.

All the believers devoted themselves to the apostles' teaching, and to fellowship, and to sharing in meals (including the Lord's Supper), and to prayer. Acts 2:42

FAITH FAMILIES

1

Faith Families are medium-sized groups of families who meet once monthly in homes all over our city. Groups will meet 4 times in this semester, August through November.

During this 4 month “sprint,” we will be believing big for a harvest of NEW LIFE, which we refer to as Gospel Growth and Generation Growth.

Gospel Growth – Personal maturity and obedience to Christ.

Generation Growth – Multiplying families and new believers.
