

Module 2 – Lesson 1

Goal Setting

FUND

Week 14

In this module, your goal is to fund your next property! You're going to learn that there are so many creative ways to fund a deal; you just need to be aware of what those ways are and find a way that works for your investing strategy.

As you grow and change, your goals and priorities might change too. This doesn't mean your entire plan has derailed; it just means your goals need to be adjusted to fit into your latest plans and priorities.

Where am I?

Take some time to reflect on what you have accomplished so far. Did you find your next investment property? Did you face any challenges?
