Helpdesk Ticket:

*Note: I called Pastor McKnight and answered his questions and he stated that he will talk to the prospective students and will place an order soon. - Taylor Simmons

“Good morning, I am interested in teaching your Foundations-For-Life Series and syncing it with our discipleship program. I am a graduate of your program and feel this would be such a benefit to our clients. Have a question, is there a discount for nonprofits? I already have around 6-8 individuals that are showing interest and will probably enroll when I launch this program. Thank you! Efreem B. McKnight, Pastor/Founder C: 830-832-1509 www.theagapectr.org
