

Home Inspector Qualifying Call

Investor

Hello (Home Inspector Name), How are you today?

Investor

This is (Your Name), from (Your Company Name). Thank you for speaking with me today to answer my questions.

I want to let you know upfront that I am talking to three home inspectors in the area to get an idea of who is the best fit for our management style and our goals. Is it ok if I go ahead and start asking you a couple of questions?

Great!

1. What is your background in construction?
2. How long have you been in business?
3. What report do I receive from you after an inspection is complete?
4. What area or neighborhood do you specialize in?
5. Have you done any home inspections on the street of the home I am considering buying?
6. How much do you charge for your services?

(Home Inspector Name), thank you very much for your time. I have a couple more home inspectors to contact. Based on the information you've provided, I will contact you within the next 2 business days if you are the best fit for our company!

Thank you again for your time today. Have a great morning/afternoon/evening.
