Investor

Hello (Handyman Name), How are you today?

Investor

This is (Your Name), from (Your Company Name).

After speaking with various handymen in the area, and reviewing the answers you provided me with, I am very happy to tell you that I have selected you as the handyman that we would like to work with for our investment properties.

I'd like to request some additional contact information that I can use to reach you for our future work together.

1. What is your company address?
2. What is the best email address to reach you at?
3. Do you have any other phone numbers I can reach you at if need be?

Great! I will be emailing you shortly with our company contact information.

Thank you again, and I am looking forward to working with you!
