This Month...

Fulfilled prophecies from the Old and New Testaments add credibility to God's Word. There are hundreds of scriptures about Jesus' first and second coming.

A BIBLE OVERVIEW

- Old Testament = Jesus is coming.
- New Testament = Jesus came.
- Revelation = Jesus is coming again.

Scripture references about Jesus' Second Coming outnumber references about His first coming by a factor of eight to one.

As we celebrate the first coming of Jesus at Christmas, let us also learn and prepare for His promised return.
