

PROPHESY

YOUR YEAR

— WORKBOOK —

THIS WORKBOOK BELONGS TO:

WHY PROPHECY YOUR YEAR

- ★ You need to learn to hear the voice of God for yourself
- ★ You hear more than you realize
- ★ We prophesy according to our faith – listening for yourself and tracking measurables builds your faith muscles

HOW PROPHECY YOUR YEAR WORKS

1. You will get assigned a month and a prompt
 - ★ For Example: Let's listen for March;
Prompt: What will I enjoy this month?
2. You will be given a set amount of time to write
 - ★ Don't overthink. Write every single thing.
 - ★ When the timer is up, you **need** to finish
3. There will be teachings and testimonies peppered throughout this class. The purpose is to expose you to different ways people prophesy and prophesy signs and how the manifestations of them are sometimes outside the box.

WAY TO LISTEN

- ★ Write everything that comes to you
- ★ Write it as if Jesus is writing a letter to you. For example:
"Amy, this month we are on the move, I have many plans for us!"
- ★ Ask for Pictures - you may write metaphorically "I see crowds, the color red, and something about Christmas in July"
- ★ And of course, a combination of all of them or many other ways because His voice is infinite!

WHAT WILL HAPPEN

- ★ You will forget things you wrote – check back often
- ★ You will get things “wrong” and this is an opportunity to learn
- ★ You might get accurate things, but you were off the timing
- ★ All of this is OK because *we are learning*

RULES OF ENGAGEMENT

- ★ Listen only for words that bring hope
- ★ No corrections or dark prophecies
- ★ Slow down on the Giant Words like “You will make a million dollars next month” Ask yourself “Do I have faith for this?”
- ★ Ask yourself, “Is this Love?”
