Day 1 - Life by Design, Not by Default

We all receive new information through our senses, through taste, smell, sight, sound or touch. Are you ready for a fun way to check your senses?

Let's go.

Key Concepts for this Session

Key #1: Senses Check (chapter 18)

Let's check your capacity to see, hear or feel. You'll be answering three questions. Write down the first things that come to mind.

1. What game does God want to play with you today?

2. Why does He want to play that game with you?

3. What does He want you to learn from this game?

4. what does this mean to you

Key #2: Words have Power

Out of your heart your mouth speaks:

My heart informs my words that informs my brain that takes action.

heart > words > head > outcome

heart > words > head > outcome

“whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable—if anything is excellent or praiseworthy—think about such things.”

Phillippians 4 v8.

Key #3 The Choice is yours

“The choices we make, determine the directions our lives take and the people we become.” Samuel Gibson

What Does this mean for you going forward?

Summary of Core Concepts

- **Kingdom Key #1** – hearing His voice
- **Kingdom Key #2** – words have power
- **Kingdom Key #3** the choice is yours
