# This Month...

August is an ideal month to establish new habits of prayer and daily Bible reading. The book of Proverbs describes five types of people and their relationship with wisdom. We will discover the correct attitude towards finances, parenting, difficult relationships, lawsuits, and even the rewards of faithfulness in this practical book. Proverbs states its theme explicitly very early in the book: "The fear of the Lord is the beginning of knowledge" (Proverbs 1:7). The fear of the Lord refers to our reverence for Him, as He deserves.

## Bible Reading Tips

- Highlight your favorite scriptures.
- Memorize scripture through a song.
- You have to make time to read your Bible.
