

The Unity Blueprint

Purpose

To create a shared “why” and map early purpose patterns.

Step 1: Personal Purpose Pulse (Do separately)

Answer privately:

“What part of me come alive when we serve, create, or dream together?”

Step 2: Discover Shared Strengths (Do together)

Together, complete the following sentence:

“Our relationship is strongest when we are _____.”

Examples:

Serving together, Dreaming together, Planning, Hosting,
Encouraging others, Building together, Praying

Step 3: Build Your Unity Blueprint

Draw THREE columns:

1. What God has put in you
2. What God has put in your partner
3. What happens when those gifts combine

Then choose ONE small, doable “purpose project” to begin.
(E.g., praying for a couple weekly, starting a devotional together, serving somewhere, mentoring someone.)

Step 4: Declare Purpose In Unity

Say together:

“Our love is meant to matter.

Our story is meant to impact others.

We agree with Heaven’s purpose for us.”
